Description: An award-winning product, this atlas has everything you need to know and more for your United States adventure. More comprehensive than other map on the market, The Ultimate United States Road Atlas has seamless coast-to-coast mapping at an ideal driving scale of 1:1M, with major cities and the busy Northeastern Corridor insets at a detailed scale of...

Review: Great prduct! Read the description carefully before you buy this product because it is NOT a state by state Atlas. The best thing about it is that it connects the USA roads, page by page. This allows you to open to an area of the USA not just a state. In addition to that, the spiral spine ensures that this Atlas will last a long time with good...
